Dear Eamonn,

Neither me nor my husband are adept in plumbing, decorating or anything remotely to do with DIY so when the overflow pipe on the cistern started dripping I was a touch worried when he said he would try to repair it!

Needless to say within a minute the bathroom floor was flooded and there were high pitched screams asking me to 'turn the water off!'

With a swift call to Eamonn he advised us what to do and duly arrived promptly at the advised time to repair the leak.

Eamonn was quick to repair the problem knowing exactly where the problem was, he was courteous and chatty and left the area clean and tidy.

I would have no hesitation in recommending Eamonn at EMF Plumbing & Heating in the future, I would like to take this opportunity to wish you all the very best of luck with the business.

Many thanks

Sarah Smith
